POWERED BY

The Swimming Waikato Regional Squads Program has been designed to provide much needed support for our up-and-coming athletes as well as backing our current senior international representatives.

A big focus for the 2023/24 Regional Squad season will be around athlete-wellbeing, as well as increasing the diversity and standard of competitive experience, for many this will include international swimming exposure.

The Regional Squads goal is to compliment the good work taking place within our home Swimming Waikato Member Clubs by providing opportunities to upskill our coaches and athletes in a bid to maximise their own individual performances, as well as ensuring they remain healthy and balanced.

LEGACY - Over the last five years, we have seen a number of our Regional Squad swimmers and Swimming Waikato funded athletes being elevated onto National Teams, competing at events such as Commonwealth Games, FINA World Championships, FINA World Short Course and many more.
