

13 & 14 December 2025 · Moana Pool, Dunedin

MEET INFORMATION

The Otago Long Course Championships are open to all eligible Swimming NZ members and international athletes who meet the entry criteria. By participating in these championships, you are acknowledging and agreeing to the importance of the following guidelines:

- comply with the Sports Anti-Doping rules,
- allow photographs, video, multimedia, or film likenesses taken by accredited photographers to be used for any legitimate purpose by Swimming Otago or others that Swimming Otago has approved,

As the event organiser, Swimming Otago is committed to ensuring a smooth and fair competition. We reserve the right to restrict entries to maintain the event timeline and secure the necessary number of Technical Officials. The pool deck is strictly for accredited personnel and event volunteers during the competition; all other individuals are expected to be seated in their designated area in the Grandstand. Non-compliance with these rules may disrupt the event, and we trust in your understanding and cooperation. As always, pool access is free and via the front entrance.

This document may be amended, so check the event page to ensure you have the latest version.

HEALTH AND SAFETY

At the Otago Long Course Championships, your safety is our top priority. We kindly ask you to be cautious in the Grandstand, as it can get very slippery. To minimise the risk of injury, all athletes are required to dry off before using the corridors behind the stands. Athletes are not permitted in the reception area in swimwear; athletes must be dressed, including shoes. Stairwells, fire exits, and clearways are always to remain clear. No seating is allowed on the bottom row of seats in the Grandstand as this is a clearway. Your adherence to these safety measures is crucial for a successful and enjoyable event.

Athletes under 10 must wear a yellow band, which will be issued at the manager meeting. Bands can be removed while racing; however, they must be worn at all other times. Athletes may make their way to the marshalling, then to the start blocks, and at the finish of their race, make their way back to their grandstand seats. Bands are to be returned to reception prior to exiting the facility.

Only essential personnel, Technical Officials, Timekeepers, and Event Volunteers are allowed on the pool deck during the competition. Coaches are to always remain in their designated area.

If the pool requires evacuation, Moana Pool staff will guide you. Remain calm and follow their instructions.

ZENITH JUBILEE TROPHY AND FESTIVAL CUP

The Zenith Jubilee Trophy and Festival Cup have been a staple at these championships as they bring together Otago's fastest athletes across the different strokes in one race – a head-to-head showdown! These events are exclusively open to athletes affiliated with Swimming Otago. The fastest two athletes, male and female, from each 100m individual stroke are selected. Selection is by way of the event schedule, with priority given to those athletes 16 years & older, descending by age group. Once an athlete is chosen for one stroke, they're out of the running for the others—for example, the two best in the 100m Backstroke won't be considered for any other stroke, no matter how fast they are. The athletes start on a handicap, which is based on the time achieved in their selection event. **Athletes who do not wish to be selected must notify the Recorder by the end of session 3.** The provisional list of qualifiers will be posted on the Results wall after Session 3, but the suspense builds until Session 4, when the 100m Butterfly decides the final four spots.

CHAMPIONSHIP RULES

The Otago Long Course Championships will be delivered under Swimming NZ rules, regulations, policies, and the exceptions contained in the competition documents:
