THE ESSENTIALS

HEALTH AND SAFETY

Moana Pool is still undergoing renovations; please follow the signage throughout the venue.

Your safety is our top priority, so please be cautious in the Grandstand, as it can be very slippery. To minimise the risk of injury, all athletes must dry off before using the corridors behind the stands. Athletes are not permitted in the reception area in swimwear; athletes must be dressed, including shoes. Stairwells, fire exits, and clearways must always remain clear. No seating is allowed on the bottom row of seats in the Grandstand as this is a clearway. Your adherence to these safety measures is crucial for a successful and enjoyable event.

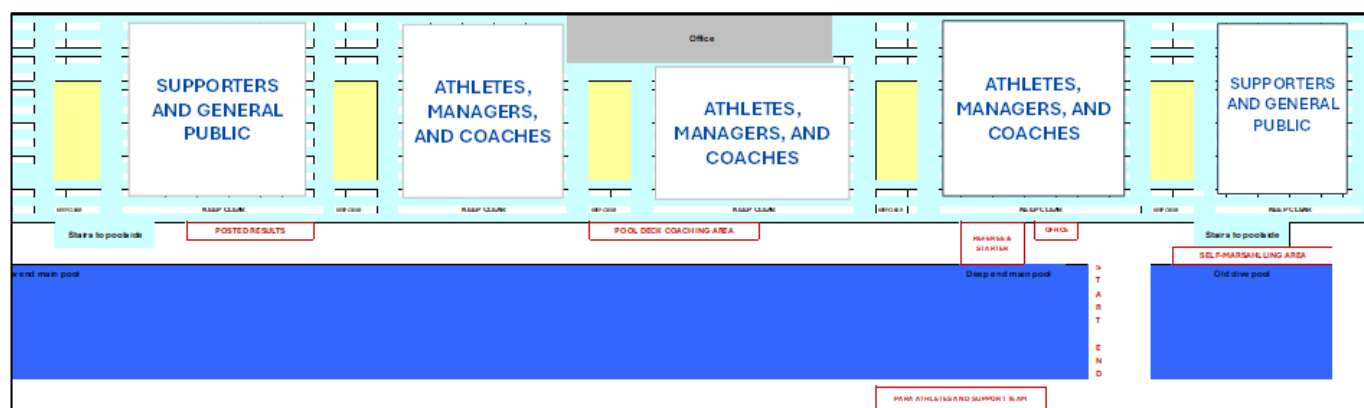

Athletes under 10 must wear a yellow band, issued at the manager's meeting. Bands can be removed while racing; however, they must be worn at all other times. Athletes must always be supervised, including in the warm-up/down lanes; however, they may proceed to the marshalling area, then to the start blocks, and, at the end of their race, return to their grandstand seat independently. Bands are to be returned to reception before exiting the facility.

Only essential personnel, Technical Officials, Timekeepers, and Event Volunteers are allowed on the pool deck during the competition. Coaches are to always remain in their designated area.

If the pool requires evacuation, Moana Pool staff will guide you. Remain calm and follow their instructions.

SEATING PLAN

All athletes, team personnel, supporters, and the public must use the seating in the Grandstand. The only exceptions are para athletes and their coaches, who may utilise a designated poolside area during each competition session. Refer to the map below.

OFFICIALS AND TIMEKEEPERS

Thank you for volunteering your time at this competition. Swimming Otago and all the athletes appreciate your commitment to making this competition successful!

- A meeting will be held in the rear corridor 15 minutes before the start of session 1. Please remember to bring your own water bottle and sunglasses.

ATHLETE, COACH AND TEAM MANAGER INFORMATION

Warm-up Procedure

- Warm-up is conducted under the consultation and guidance of all coaches.
- Lane 8 is for para athletes and those athletes aged 9 years and under only.
- Warm-up commences forty-five (45) minutes before the start of each session.
- Backstroke Start devices may be available during each warm-up period.

Warm-Down Procedure

- Two Dive/Lap Pool lanes are available only during the competition.
- All athletes 9 years & under MUST be supervised using this warm-down lane.

Team Managers Meeting will be held at 8:45am on Saturday, behind the Recorder's Office in the back corridor. Each club must have at least one representative at the meeting to ensure all information is shared amongst the team. Managers will receive a brief overview of meet activities, expectations for athletes and clubs, and general delivery. Please access from the stairway or the pool deck exit doors.

Strapping

- Athletes with strapping must provide documentation from a relevant registered health practitioner or physiotherapist, which the Technical Director will review before the session commences. Any athlete without such documentation will not be permitted to swim with a strapping.

Self-Marshalling Process

- Athletes are to gather on the pool deck below the Grandstand at the deep end of the main pool.
- Generally, athletes should marshal two heats before their own, except for 50m events, where they should marshal five heats before their own.
- A Meet Programme will be posted in the area for the athletes to check.

Withdrawals

- For all sessions, the Recorder must be notified of a withdrawal no later than 30 minutes before the start of the session in which the event will swim.
- Withdrawals submitted after this time will be subject to a Withdrawal Fee of \$50.00. Under no circumstances will exceptions be granted.

Protests

- Protests must be submitted to the Referee on the correct form by the team manager within 30 minutes after the conclusion of the respective event. The submission must be accompanied by a cash protest fee of \$50.00.

Disqualifications

- Copies of Disqualification Forms will not be provided. Team Managers are encouraged to bring their own device to the Recorder's office to take a photo of their athlete's form.

Zenith Jubilee Trophy and Festival Cup

- These events are exclusively open to athletes affiliated with Swimming Otago.
- The fastest two athletes, male and female, from each 100m individual stroke are selected.
- Selection is by way of the event schedule, with priority given to those athletes 16 years & older, then by descending age.
- Once an athlete is chosen for one stroke, they're out of the running for the others—for example, the two best in the 100m Backstroke won't be considered for any other stroke, no matter how fast they are.
- The athletes start on a handicap, which is based on the time achieved in their selection event.
- **Athletes who do not wish to be selected must notify the Recorder by the end of session 3.**
- The provisional list of qualifiers will be posted on the Results wall after Session 3, but the suspense builds until Session 4, when the 100m Butterfly decides the final four spots.

Results

- As soon as possible, results will be posted at the shallow end of the main pool on the gym windows.
- Published results for individual events will be shown as 10 years & under, 11 years, 12 years, 13 years, 14 years, 15 years, and 16 years & over.
- Medals awarded to the top three placegetters in each age group.
- Finalist Ribbons will be awarded to athletes placing 4th through to 8th in each age group.
- Para athletes will be similarly awarded medals and ribbons for only 50m and 100m Backstroke, Breaststroke, Freestyle, Butterfly, and 200m Individual Medley events.
 - Placings are determined by the percentage comparison between the times swum and the Para World Record for each classification.
- **Team Managers are to pick up medals and ribbons after each session.**
- Trophies and Cups will not be issued at this competition.
- Meet Mobile will also be activated throughout the competition.
- Results will also be available on the event page after the competition concludes.

ADDITIONAL INFORMATION

- **The Shot Dunedin** will be on-site from 7:30am for your morning caffeine requirements.
- If you are looking for an afternoon pick-me-up, try Rhubarb or Coffee Culture up the hill in Roslyn or head down the hill to Vanguard Specialty Coffee Co at the intersection of Princess, Manse, Jetty, and Stafford Streets, just to name a few nearby.

ZENITH JUBILEE TROPHY AND FESTIVAL CUP

The Zenith Jubilee Trophy and Festival Cup have been a staple at these championships as they bring together Otago's fastest athletes across the different strokes in one race – a head-to-head showdown!

- These events are exclusively open to athletes affiliated with Swimming Otago. The fastest two athletes, male and female, from each 100m individual stroke are selected.
- Selection is by way of the event schedule, with priority given to those athletes 16 years & older, descending by age group.
- Once an athlete is chosen for one stroke, they're out of the running for the others—for example, the two best in the 100m Backstroke won't be considered for any other stroke, no matter how fast they are. Athletes start with a handicap based on their time in their selection event.
- **Athletes who do not wish to be selected must notify the Recorder by the end of session 3.**
- The provisional list of qualifiers will be posted on the Results wall after Session 3, but the suspense builds until Session 4, when the 100m Butterfly decides the final four spots.

ZENITH JUBILEE TROPHY AND FESTIVAL CUP

The Zenith Jubilee Trophy and Festival Cup have been a staple at these championships as they bring together Otago's fastest athletes across the different strokes in one race – a head-to-head showdown!

- These events are exclusively open to athletes affiliated with Swimming Otago. The fastest two athletes, male and female, from each 100m individual stroke are selected.
- Selection is by way of the event schedule, with priority given to those athletes 16 years & older, descending by age group.
- Once an athlete is chosen for one stroke, they're out of the running for the others—for example, the two best in the 100m Backstroke won't be considered for any other stroke, no matter how fast they are. Athletes start with a handicap based on their time in their selection event.
- **Athletes who do not wish to be selected must notify the Recorder by the end of session 3.**
- The provisional list of qualifiers will be posted on the Results wall after Session 3, but the suspense builds until Session 4, when the 100m Butterfly decides the final four spots.
